

1836 Ceded Territory

(Does Not Show Disputed Area in Western Upper Peninsula)

*This depiction of the lands and inland waters within the boundaries of the territory ceded in the 1836 Treaty of Washington, 7 Stat. 491, is for illustrative purposes only and is not intended to supersede proper interpretation of the language describing those boundaries in Article First of the Treaty. All of the coordinates on the map are based upon a Geographic Information System (GIS) map, rather than an on the ground survey. In the event that there are any future disputes arising over the actual boundary of the 1836 Ceded Territory, the Parties shall resolve any such dispute by jointly conducting an on the ground survey to determine the exact coordinates of any disputed boundary.
