

Re-Elect Bridgett Sorenson Unit 3

I would like to thank all the Voters in Unit 3 for your support in the Primary Election. For those who may not have voted for me in the Primary, I hope you see me as the best choice during the General Election.

Things I pride myself on:

Showing Up — for meetings, events, my community and the members.

Speaking Up — never missing a unit report, engaged on social media, being vocal even when I may be in the minority, being a member/team member advocate.

Being Genuine and Real — no baiting with unrealistic promises, no hidden agendas, and pretending to be something I'm not.

I am my own person; I make my own decisions and I am not a follower.

I have been honored to have your trust and I do not take that for granted.

Please cast one more vote for an already proven, reliable, educated, dedicated and honest leader—

Bridgett Sorenson for Unit 3!
